- YES, if possible we would like to have the stand we had at the VIENNA-TEC 2008 (same size, same dimensions, same location).** Please note, this is only possible if there have been no technical changes made to the hall and no changes in the provisory stand distribution.
- Please call me to discuss the possibilities in person.**
- Unfortunately we will be unable to exhibit at the VIENNA-TEC 2010. Nevertheless, I would like to be kept informed about this international industry trade fair by e-mail and would like to visit the show.**
